

MARCELLA JONES-PENN

Jones-Penn is the owner and designer of women's fashion brand Marcella Collection. She started designing professionally in 2013 but started designing at the young age of 12! When she isn't designing, Marcella is also the Executive Producer of Runway Dallas, which showcases fashion brands from all over the world twice a year to put Dallas on the map as a destination for fashion industry professionals and designers. Marcella graduated from Erie Community College in Buffalo, NY with a degree in Fashion Merchandising and Buying. She joined FGI 2 years ago to stay plugged in to the fashion community in Dallas and likes to surround herself with like-minded professionals.

DEVIN ELLIS

Ellis is an Entrepreneur and Consultant and this week's #FGIDallas #MemberMonday! Devin assists companies with business model creation and go-to-market strategy and execution. He's very good at building relationships and connecting people to resources. He has a BS in Business Administration with a focus on International Business from The University of North Carolina at Chapel Hill, and also completed an MBA in Entrepreneurship from the University of Louisville. He's specifically interested in social entrepreneurship and sustainability technologies and products. Devin has been an active member of FGI for many years. He enjoys runway shows and interacting with fashion industry professionals in Dallas. In previous years Devin has co-chaired FGI events like the Scholarship Competition and Night of Stars.

THOMAS GARZA

Thomas Garza Photography has been in business for 5 years. Thomas is an accomplished fashion, wedding and portrait photographer. Thomas has worked with several notable locals like Pat and Emmitt Smith Charities, SMU and DIFFA and also goes to NYC for Fashion Week each season to photograph the bug runway shows! He's been a member of FGI for 3.5 years and says he is "impressed with the quality of events and the members were super friendly and invited me in." Over the years, Thomas has done a great job photographing FGI Dallas events. Currently, Thomas is working on getting a CPP (Certified Professional Photographer) and has an Associate Degree of Applied Science. Learn more about Thomas and his services at his website!
