### **CHARMAINE MARSHALL**

Marshall, Dallas fashion stylist and personal shopper Charmaine Marshall is turning heads with her own bold and daring collection of jewelry designs. This “wearable” art is anything but understated. Her handcrafted designs draw on the colors and textures of nature. While her one of a kind pieces evoke images on safari or artifacts from an expedition, Charmaine’s designs convey a strength and polished beauty that stand out in settings from national fashion magazine editorials to star studded celebrity affairs.

Her discerning eye comes from her extensive industry background, which include certification in diamond grading from the Gemological Institute of America. And her expertise is complimented by years of customer service at leading retailers such Tiffany & Co., DeBeers Diamond Jewellers, Neiman Marcus and Saks Fifth Avenue.
